Subject: Extension request for Webb Estates Preliminary Plan, (C8J-07-0055)

Mr. McCann,

Staff for the Single Subdivision Office has received your request to extend the review period for the above cases. After studying the reasons for your request, staff finds good cause for granting an extension of 120 days under Section 30-1-118 of the Austin / Travis County Subdivision Regulations. This extension changes the expiration date of your subdivision applications to February 26, 2007.

Please remember that Section 30-1-118 specifies that only one extension can be given for a project.

Sincerely,

---

Don Perryman, Senior Planner  
City of Austin
